## **Yusen Logistics Named 2015 Cargo Consolidation Business Partner of the Year by Walmart México**

Yusen Logistics has been named the 2015 Cargo Consolidation Business Partner of the Year by Walmart México y Centroamerica. This marks the fourth year in a row that Yusen Logistics has received this recognition for its Origin Cargo Management (OCM) services.

Jordan Dewart, the newly-appointed President of Yusen Logistics Mexico, accepted the award at Walmart's Annual Carrier Conference for Latin America, which was recently held in Mexico City. He was accompanied by Wei Ting, Hub Manager, OCM, Yusen Logistics (Americas) Inc., and Laura Del Castillo, Key Account Manager, Yusen Logistics Mexico.

"It is an honor to have received the Cargo Consolidation Business Partner of the Year Award for four consecutive years," says Dewart. "The achievement would not have been possible without the extraordinary efforts of our team. This acknowledgement from Walmart México reinforces our dedication to exceeding customer expectations and delivering world-class logistics solutions. We look forward to our continued partnership."

"We congratulate Yusen Logistics for once again winning our Cargo Consolidation Business Partner of the Year Award," says Evelyn Leal, Manager, Imports Department, Planning and Origin Services, Walmart México y Centroamerica. "In our fast-paced industry, we require agile partners who can provide accurate information and timely solutions to ensure our goods are delivered to our customers on time and at a competitive cost. Yusen Logistics has proven to be that partner for us."

The Cargo Consolidation Business Partner of the Year Award is based on key performance indicators, including accuracy of data transmission, on-site personnel excellence, origin country responsiveness, peak season performance and innovation. Yusen Logistics has been partnering with Walmart México y Centroamerica for six years, providing warehousing, consolidation and origin cargo management services.
