About Us

■ Founded in 1987, Allied has become a recognized and trusted provider of comprehensive environmental and industrial maintenance services. With a diverse staff of experienced professionals and an expansive equipment fleet, Allied provides comprehensive services from routine facility maintenance projects, to emergency response, remediation and restoration. Allied maintains an excellent safety rating and is an ISNetwork, PECPremier and BROWZ member contractor. Allied is fully licensed, bonded and insured.

Why Allied Environmental Services?

- Small Business with 'large business' capability to execute
- Self-performance on all projects
- Outstanding safety record - over 1,300,000 man-hours without a lost-time incident
- Expansive inventory of modern equipment
- Experienced and diversely trained team of professionals, expert in multiple disciplines
- Stable company with 29 years in business
- Financially secure and conservatively managed

Key Personnel

- **Linda Grimmer, Branch Manager:** Ms. Grimmer has over 25 years of experience designing and managing environmental and industrial maintenance projects, centered around a team-oriented approach that fosters cost-effective solution for her clients.
- **Brian Hutzler, Project Manager:** Mr. Hutzler has over 30 years of experience managing industrial maintenance, asbestos abatement and site remediation projects. He is uniquely qualified to solve difficult project challenges with attention to project schedule and budget.
- **Gary House, Project Manager:** Mr. House has over 28 years of experience specializing in industrial cleaning, railroad service, storage tank service, hazardous materials management, and site remediation. Mr. House places customer satisfaction above all else.
- **Decatur "Deke" Hewett, Project Manager:** With over 20 years of experience in the environmental services industry, Mr. Hewett has successfully designed and managed a wide range of emergency spill response, industrial maintenance and site remediation projects.

An ISNetwork, PEC Premier and BROWZ member contractor.
