

# FloodSax®

Stay ahead of water damage. Be prepared.

Ideal for unexpected leaky toilets, water heaters, internal sprinkler system breaks, aquarium leaks, broken pipes, leaking appliances, basements and more.

- ▶ Indoor and outdoor protection (flooding disasters and water/liquid damage)
- ▶ Fits well against doors, sliding windows and grates to create a flood barrier
- ▶ Soaks up to 5.8 gallons of water/liquid
- ▶ Expands to 20" x 19" x 6"
- ▶ Absorbs in just 3 minutes!
- ▶ Ideal for everyone including the elderly and disabled
- ▶ Self absorbing, stable and stackable
- ▶ Light 1 lb. dry weight to 50 lbs.
- ▶ ~50% larger than other absorbent pads
- ▶ Up to 10-year shelf life
- ▶ Vacuum sealed for safe and efficient storage
