Atlanta, GA – Venture-backed startups are disrupting the payments industry and reshaping the face of commerce. Here in Atlanta, VCs and Pes have invested billions of dollars in the Financial Technology industry, but how do they know which companies to bet on? This is a just one question panel members expect to answer.

Join us for an in-depth panel discussion, with a group of veteran Transaction Alley investors, who will share their stories, both good and bad, and explain how they make the investment decisions that are changing our industry.

Adam Bloomston, Co-CEO & CFO, Payscape, *Moderator*

Sean Banks, Partner, TTV Capital

Taylor Mefford, Co-Head of Goldman, Sachs & Co.'s Private Capital Investing Group

Mark Satsky, Vice President, Strategy and Corporate Development, NCR
