Synergia OC Announces New Chief Medical Officer

Raritan, NJ June 24th, 2016 -- Synergia OC announced today that Stephen D Ford M.D. has joined their fast growing team as Chief Medical Officer. Dr. Ford will oversee all chronic care programs from the early stages of development, ensuring the highest impact and quality of care. Dr. Ford has both clinical and corporate experience in healthcare administration and was previously the Medical Director of Anthem Health of New York. He is currently an Attending Physician with the Robert Wood Johnson Barnabas Health System and has served on the boards of several healthcare organizations.

"Dr. Ford brings with him a commitment to long term patient health and the treatment of chronic diseases. His addition to our team will help us help people achieve their maximal level of health."

Rick Thomas, CEO, Synergia OC

"Physicians practicing today have much greater administrative demands placed upon them and patients are being encouraged to play a more active role in their healthcare. The Synergia OC model lowers administrative burdens and improves patient outcomes, which is why I am so enthusiastic about joining this organization."

Stephen D Ford M.D., Chief Medical Officer, Synergia OC

Synergia OC helps increase patient compliance in chronic disease with the most comprehensive portfolio of tools to assist insurers, hospitals and physicians keep patients on track with their prescribed clinical pathway. www.synergiaoc.com.
