

iPatientCare Announces Michael Brosnan, DC Selecting iPatientCare EHR and RCM Services after Rigorous Evaluation

Brosnan Chiropractic selects iPatientCare EHR and Revenue Cycle Management Service after their detailed assessment

Woodbridge, NJ, June 30, 2016 — iPatientCare, a pioneer in cloud-based ambulatory EHR and Revenue Cycle Management services, announces its selection as preferred EHR and [RCM Services](#) provider by Michael Brosnan, DC after their careful assessment.

iPatientCare EHR being HIPPA compliant and winner of numerous awards in multiple categories, is one of the most admired name among the physicians who are looking for switch from any other EHR. Various dimensions like pricing, ease of use, time for implementation, trainings and many other factors plays vital role in decision to switch where iPatientCare EHR emerge as the winner and hence become one of the most well-regarded name for the switch EHR.

Michael Brosnan, DC, Brosnan Chiropractic, evaluated multiple options available in the market and found iPatientCare EHR as best fit for their demands as one stop solution for Revenue Cycle Management and [cloud-based EHR](#) solution with fully loaded features/templates for chiropractic specialty.

“We found all we needed with iPatientCare.” Commented Michael Brosnan, DC, Brosnan Chiropractic. He further added, “We were astonished to learn that iPatientCare provides high quality of revenue cycle management services along with the best technology solution and the system that is prepared to keep up with the requirement changes. iPatientCare has worked hard to make cutting edge of technology in easy to use application with effective and efficient output. We are confident that we made the right choice for the long-term benefit of our practice from the RCM point-of-view as well.”

“We are very pleased to have Michael Brosnan, DC, Brosnan Chiropractic with us,” said Udayan Mandavia, CEO, iPatientCare. “Switching from one EHR to another requires evaluation of many factors like costs, down-time and retraining of the practice staff. We attend every single request for information from any prospective customer with as much importance as it is a support request from an iPatientCare customer. We are motivated by knowing that we score sufficiently higher points to encourage practices to [switch to iPatientCare](#) with long term reliability and confidence.”
