SPONSORSHIP OPPORTUNITY

Zunesis, Bedrock Foundation, and Habitat for Humanity of Metro Denver invite you to join us for the 5th annual Night of Miracles.

Night of Miracles is a fundraising event with a goal of raising money to build homes for hard-working families in the Denver Metro area.

At the Night of Miracles, guests will learn about Habitat for Humanity of Metro Denver and how it partners with the community to build safe, affordable housing in partnership with low-income families. Guests will also hear from a current Habitat homeowner about the impact Habitat's program has had on her life, and they will be present when this year's partner family receives the keys to their new home.

This year we will be hosting this formal event at the Denver Museum of Nature & Science. In addition to cocktails and dinner, guests will have access to a museum exhibit and enjoy a keynote from New York Times bestselling author, Don Yeager.

Suggested Attire: Dark Suit/ Cocktail Dress
