SignUp Benefits

- Better engage with patrons, offering convenient online event registration, event reminders and automation capabilities.
- Simplify registration, attendance, event payment, wait lists and reporting. Automatically prevent room conflicts.
- More easily promote events online, during checkout and through mobile notifications.
- Integrates with Spaces room reservation software, if desired, for a convenient menu of self-service options.

NEW Features Coming Summer 2016

- **Mobile-friendly design** to maximize the experience through smartphones and tablets.
- **Enhanced calendar** includes additional view and printing options as well as search capabilities so patrons can quickly find and register for events.
- **More library branding features** so fonts and colors can be selected for the mobile design.
- **Increased speed and performance** saves time for patrons and staff.
- **Updated functionality** for events that require librarian-assisted registration to maximize patron attendance.
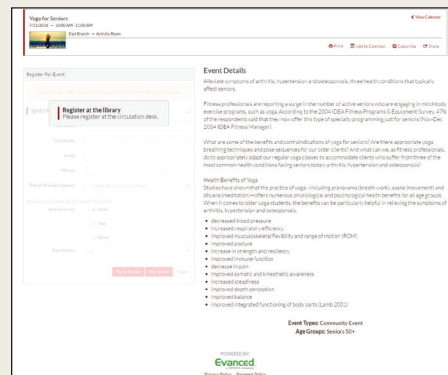

Get more at-a-glance event information with the enhanced calendar view. The new preview modal makes it easy to view details for multiple events.
