

## Webinar: Preparing for PRIIPs

The PRIIPs (Packaged Retail and Insurance-based Investment Products) Regulation aims to standardize pre-contractual information provided to retail investors in the form of a Key Information Document (KID). PRIIPs enters into force on 31 December 2016. Join our discussion with industry experts from Fieldfisher and Synechron to learn more.

### Key Topics

- An Introduction to PRIIPs
- Effect on asset managers and banks
- Overview of the KID
- Challenges for Operations
- Overlap with other regulations
- Steps to take now
