## HEADLINE: NIMBLE IMPRESSIONS EXPOSES CUSTOMERS EXPERTISE FOR MANUFACTURING AWARDS

Minnesota's manufacturing industry has a long history of excellence and we are proud to share that two of [Nimble Impressions](#) customers have qualified as finalists for the [2016 Minnesota Manufacturing Awards](#)! Through a process of research and interviews, we collected the necessary information to create submittal packages winning them a chance to be awarded for their expertise.

[MME group](#), led by Bob Archambault and Brian Busmann, has qualified for their accomplishments in Employee Training, leading the way in expertise and education for team members of all levels.

[Minimizer](#), leader in poly semi truck fenders, has made it to the finals for Best in Class, Midsize Company.

We couldn't be more proud to represent these two extraordinary manufacturing companies. Final winners in each category will be announced on September 29. Now, it's your turn! Let us expose your expertise and acquire the awards you deserve. Explore all of the benefits [here](#).

## About Nimble Impressions

Nimble Impressions is a Minnesota-based marketing agency whose knowledge and over 20 years of experience, coupled with your unique business situation, create phenomenal results.

While we are based in the Twin Cities, Nimble serves clients nationally. We collaborate on a brand and carry it through the different, unique business areas catering to company needs such as: messaging, web design and development, print and digital collateral, as well as marketing and promotional services and products. A partnership with us equates to an extension of your business's daily operations. We alleviate the heavy lifting
