

**iPatientCare is proud to announce CoverMyMeds joining iPatientCare's National User Conference 2016, as Gold Level Sponsor and Exhibitor**

*CoverMyMeds continue to achieve strong bonds with iPatientCare as one of the Gold Sponsors and Exhibitors for Upcoming NUCON 2016*

**Woodbridge, NJ**, October 17, 2016 — iPatientCare, a pioneer in cloud-based ambulatory EHR and Revenue Cycle Management services is glad to welcome CoverMyMeds aboard at the [National User Conference \(NUCON\) 2016](#) as a Gold sponsor and exhibitor.

NUCON, the yearly occasion at iPatientCare, gives a novel chance to help medicinal services suppliers and their office staff to stay aware of the advancing social healthcare bend. iPatientCare National User Conference (NUCON) 2016 scheduled from October 21st through 23rd offers a boundless learning opportunity to all its members to stay up-to-date on the upcoming industry developments as well as latest enhancements in iPatientCare product suite. Being a very successful platform, NUCON also allows iPatientCare channel partners, end users, certified professionals, business partners, and entire iPatientCare family to connect and communicate within themselves over Education, Exhibition, and Entertainment.

"[CoverMyMeds](#) is looking forward to sponsoring NUCON for the third year, to share with iPatientCare users the benefits of an electronic prior authorization solution integrated for use at the point on prescribing, streamlining challenges associated with the manual PA process." said Alison Bechtel, Marketing Manager, CoverMyMeds.

"It is our pleasure to have CoverMyMeds on board at [iPatientCare's](#) grand annual event National User Conference 2016. With constant innovations and achievements, we have helped physician practices improve efficiency with the best service to their patients. Our successful integration with CoverMyMeds is an important step for long-term relationships and nurturing partnerships with healthcare provider and payer organizations." - Shripal Shah, Senior Technology Officer, iPatientCare, Inc.
