

Technology Integration Group.

Global Diversity Supplier

TIG is a leading diversity company providing systems integration and IT solutions for enterprise corporations, government agencies (federal, state, local), educational institutions and SMBs. With offices throughout the US, Canada and Asia, TIG is equipped to serve customers on a global level.

NMSDC® Corporate Plus® Member

TIG is a Corporate Plus® Member of the National Minority Supplier Development Council (NMSDC). Corporate Plus® Member companies are considered the elite of minority business enterprises in the U.S. and ready to be national strategic sourcing partners to major corporations. Fewer than 100 of approximately 18,000 NMSDC certified MBEs have achieved this status.

Certifications

- NMSDC® Corporate Plus® Certified Minority Business Enterprise (MBE) with reciprocal certifications and over a dozen NMSDC affiliated Regional Councils.
- Certified MBE California Public Utilities Commission, Supplier Clearinghouse, South Central Texas Regional Certification Agency and several other state and local government agencies.
