

Be Prepared and Plan for the Road Ahead

IAS provides the global community with programs for short and long-term assignments. Save valuable time, money and resources with our Expat car leasing and rental solutions in Germany.

Advantage Program

Competitive monthly lease rates on new Audi and Volkswagen vehicles

Leasing available without a German credit history and no down payment required

Delivery available throughout Germany

Exclusive access to auto insurance rates comparable to a local German citizen with a perfect six year driving record

IAS partners with King & Mayr to introduce iiiPayS Auto. This concierge service provides one point of contact providing bilingual client/provider support and administrative assistance for all your vehicle needs. iiiPayS Auto simplifies and manages everything from payments, vehicle registration, maintenance and more throughout the duration of your lease.

Shop with Confidence Backed by our Expat Safeguards

Satisfaction Guarantee • Delivery Date Guarantee
