MEC Shooting Sports Launches Metallic Reloading Business

MEC Shooting Sports is pleased to introduce its latest new product offering, the all new MEC Marksman™ to the metallic reloading enthusiast. As an industry-leading manufacturer of shotshell reloading equipment and clay target machines, MEC brings its knowledge and expertise to the metallic reloading marketplace. The MEC Marksman™ single stage metallic reloader and accessory products are made in the USA in Mayville, WI.

The MEC Marksman™ is made from ductile cast iron for superior quality and durability. Our patent-pending self-centering shell holder provides metallic reloading users greater accuracy and consistency to every load compared to competing models. The MEC Marksman™ is compatible with all 7/8-14 thread dies to change calibers quickly. Reload .22 Hornet to .416 Rigby all with one convenient machine.

In addition to the MEC Marksman™, the Metallic line will include reloading accessories and essentials. Powder measure, powder trickler, scale and calipers are available to complete the MEC Marksman™ reloading experience. An additional base is available for easy installation and is compatible with the MEC Jig Fixture mounting system. Case prep tools and components are also available.

With over 60 years of shooting sports experience, the addition of the MEC Marksman™ continues the reloading heritage from the BRAND YOU TRUST!

About MEC Shooting Sports

Headquartered in Mayville, WI, MEC has been producing high quality shooting sports products for over 60 years. MEC is the world's leading producer of reloading tools for shotgun shells, having sold over 2 million worldwide. MEC's Clay Target Machines are built with the same quality, value, and reliability and are backed by the customer service that shooting sports enthusiasts all over the world have come to know and expect from MEC. MEC Shooting Sports is owned and operated by Mayville Engineering Company, the largest metal fabricator in the nation. More information can be found at www.mecshootingsports.com.
