**Costco Auto Program Adds Muscle to GM Holiday Sales Event**

*Chevrolet Corvette is now part of the limited-time offer with General Motors.*

SAN DIEGO, November 21, 2016 – Costco Auto Program announced the addition of the iconic American sports car – the Chevrolet Corvette\* along with several more vehicles to the GM Holiday Sales Event, today. Responding to the requests from Costco members, this recent addition includes all trim levels of the precision performance supercar. This is the first time the Corvette has ever been included in a Costco Auto Program limited-time offer.

“We are excited to be able to offer an additional value with General Motors on the distinctive Corvette,” said John Conlon, Costco Services director. “This opportunity for Corvette enthusiasts to be able to purchase their dream car at a great value is almost unbelievable. If you’ve been waiting for the opportune moment to buy a Corvette, there’s no better time than now.”

The GM Holiday Sales Event is already popular with Costco members, with a 44 percent increase in the number of members registering for the promotion in the first month compared to the 2015 limited time offer.

In addition to the Corvette, the GM Holiday Sales Event features a wide variety of eligible 2016 and 2017 models from Chevrolet, Buick, GMC and Cadillac. Costco members who register for the offer will receive GM Supplier Pricing and most currently available GM incentives on the purchase of eligible vehicles. Executive Members also will receive a \$700 Costco Cash Card, and Gold Star and Business Members will receive a \$300 Costco Cash Card for completing a Costco Auto Program member satisfaction survey after purchasing a qualifying model and taking delivery by Jan. 3, 2017.\*\*
