DIVE HEAD FIRST INTO A LIVE-ACTION ATTACK ON TITAN ADVENTURE WITH REAL ESCAPE GAME - “CASTLE UNDER SIEGE”

SCRAP Entertainment partners with Funimation to create another real-life Attack on Titan escape experience.

LOS ANGELES, CA, Dec. 6, 2016 – Experience the exhilaration of fighting impending doom with Real Escape Game’s “Castle Under Siege.”

SCRAP is partnering with Funimation to bring to life an escape room game inspired by the Attack on Titan series. You and your 9 teammates will be trapped within the walls of ruined castle, tasked to survive and defeat the titans within 60 minutes. This is the second collaboration game between SCRAP and the Attack on Titan series; the first was a pop-up event called “Escape from the Walled City” held at massive venues like baseball stadiums and football fields.

“This game will be a hybrid between the terror the titans evoke in Attack on Titan and the critical intensity of a Real Escape Game inside a limited space” stated Satoshi Yamabe, Real Escape Game producer for SCRAP. “This is an experience that neither an escape room fan nor an Attack on Titan fan would want to miss.”

Fans will be able to experience the excitement and thrill of being in the world of Attack on Titan through “Castle Under Siege” starting January 27th in Little Tokyo, Los Angeles. Tickets are available today and can be reserved at the official website: realescapegame.com/aotla.
