

**TIER 3**

# Ecollect SUITE

Transforms your SIS into a turnkey school business solution. Includes access to the ecollect design platform, all current and future FormPack content, and ongoing personalization and customization service. Your implementation grows to meet changing needs over time.

**TIER 2**

# Ecollect PLUS

Add curated content and extended functionality to the Ecollect platform with one of the FormPacks below.

## Ecollect ENROLLMENT

Online enrollment and process management housed within your student information system

## Ecollect STUDENT SUPPORT

Integration for IEP, 504, RTI and other student support plans.

## Ecollect ESSENTIALS

Asset management, parent self-service, paperless data collection. Making all facets of school management easy.

## Ecollect TEACHER

Enhanced Parent-Teacher Conference scheduling and management, handouts and school-home communication.

**TIER 1**

# Ecollect

Easily create and manage a wide range of flexible custom forms within the SIS
