Pleasanton, Calif. – March 7, 2017 – [Steven R. Drexel](#), president and CEO of [Cornerstone Staffing Solutions, Inc.](#) (www.cornerstone-staffing.com), headquartered in Pleasanton, has been named to Staffing Industry Analysts' sixth annual Staffing 100 list. This is the third time Drexel has appeared on this list of 100 leadership influencers from across the workforce solutions industry. The 2017 list, comprised of 100 notable influencers, is sponsored by Erecruit.

[Staffing Industry Analysts](#) (www.staffingindustry.com) (SIA), the global advisor on staffing and workforce solutions, developed the list to laud those individuals whose excellence, drive and significant efforts stand out as exemplary in the industry over the past year. The list is not a ranking but a way to recognize leaders for the remarkable impact they make in a variety of ways and through various means across the Workforce Solutions Ecosystem. The expertise included on the list encompasses that of CEOs, entrepreneurs, technologists, workforce specialists, data scientists and more, hailing from a host of different kinds of companies and lines of service-- from traditional staffing to online platforms to MSP/VMS to RPO.

Those named to the Staffing 100 for the North American 2017 list were honored at a private reception at SIA's Executive Forum in San Diego last month. The complete list can be found on the [Staffing 100 website](http://si100.staffingindustry.com/) (<http://si100.staffingindustry.com/>).
