

Award Winner **Joyce Blonskij** Named **2017 FIVE STAR PROFESSIONAL**

Sacramento, CA March 1st, 2017 — Five Star Professional is pleased to announce once again, Joyce A. Blonskij, Financial Advisor and President of Blonskij Financial Services, Inc., a woman owned financial services firm, has been chosen as one of Sacramento's Five Star Wealth Managers.

The Five Star Wealth Manager award program is the largest and most widely published wealth manager award program in the financial services industry. The award is based on a rigorous, multifaceted research methodology, which incorporates input from peers and firm leaders along with client retention rates, industry experience and a thorough regulatory history review.

"It is a privilege to present exceptional wealth managers with the Five Star award each year. These select wealth managers have worked hard to get where they are with a deep knowledge of their industry and care for their clients," — Lynn Hargreaves, VP, Research and Services Operations, Five Star Professional.

We host fun Lunch & Learn events that are both local and telecasted live across the country to keep our clients informed and up-to-date on the economy and global events as they pertain to investment decisions.

Built on a foundation of excellence by listening to what our clients want, understanding their goals, and having honest conversations they have come to trust and value. Which is why, over the decades Joyce and our firm have remained on the forefront of designing cutting edge,

investment solutions and advice to grow, preserve, and transfer our client's wealth. Headquartered in Fair Oaks, California.

Determination of Award Winners

Sacramento magazine and Five Star Professional partnered to find wealth managers who satisfy 10 objective eligibility and evaluation criteria. Among many distinguished attributes, the average one-year client retention rate for this year's award winners is more than 96%. Although this list is a useful tool for anyone looking for help in managing their financial world or implementing aspects of their financial strategies, it should not be considered exhaustive.
