# ALL NATURAL | STIMULANT-FREE BIOENERGY

## Nutrient-Based Energy, Antioxidant & Detox Blend

Harness the power of the world's most nutrient-dense superfoods with BioEnergy, a powerful nutrient-based source for *Energy, Stamina, Antioxidant Protection and Detoxification*.

Every capsule of BioEnergy contains a blend of some of nature's most potent foods like Spirulina, Chlorella, Maca Root, Cacao, Beet Root Powder, Tongkat Ali, Green Tea, Astaxanthin and more!

Together these supplements deliver a readily digestible source of B Vitamins, Minerals, Proteins, Calcium, Enzymes, Essential Fatty Acids and Essential Amino Acids. When taken consistently can dramatically enhance your levels of energy and stamina, provide antioxidant protection against cell damage, and help your body get rid of toxins and heavy metals.

### SPIRULINA

Considered one of the world's most intense sources of vitamins, minerals & essential amino acids.

### CHLORELLA

Boosts energy, supports fat loss and helps detox heavy metals from your body.

### ORGANIC MACA ROOT

Helps hormone balance, supports the immune system and increases stamina.

### BEEET ROOT POWDER

Helps lower blood pressure, increases blood flow and enhances athletic performance.

### GREEN TEA EXTRACT

Full of antioxidants and nutrients that improve brain function and physical performance.

### ASTAXANTHIN

High in carotenoids, one of the most potent and powerful antioxidants one can digest.

*BioEnergy's unique formula will not only provide deep nutritional support, but will give you a burst of stamina and healthy energy - without that overstimulated "wired" feeling.*
