# Digiscribe Announces Corporate Partner Agreement with New York State Industries for the Disabled

*And Exhibits at NY GOVBUY May 3-4*

Elmsford, New York – April, 28, 2017 – [Digiscribe](#), a leading provider of document imaging and data entry services, has been approved by the New York State Department of Education – ACCES VR to be a [NYSID](#) Corporate Partner. Through this collaboration, Digiscribe's services can be provided to state and local government customers in partnership with the Arc of Westchester under New York State's Preferred Source Program.

New York State's Preferred Source Program is a proven resource for uniting government agencies with quality business support services, while creating jobs for New Yorkers who experience barriers to employment opportunities. NYSID contracts with state and local government customers to support meaningful work opportunities for individuals with disabilities at community based rehabilitation agencies throughout New York State.

Digiscribe President Mitch Taube stated, "We are proud to partner with Arc of Westchester through NYSID and support NYSID's important work throughout New York State. We are thrilled to have been accepted under NYSID's demanding approval process and look forward to a long-term relationship."

Joseph Messina, NYSID's Vice-President of Sales stated, "We are excited that Digiscribe will be working with [Arc of Westchester](#), a NYSID member agency, and providing additional employment opportunities for New Yorkers with disabilities."

## About Digiscribe

Digiscribe delivers paperless office solutions that eliminate manual and inefficient business processes in government agencies, non-profit organizations and businesses. Our clients engage us to lower costs, improve efficiency and mitigate compliance risk throughout their organization. We offer cost-effective services and software including digital mailrooms, mailroom scanning, workflow automation, cloud document management software, and document scanning. Digiscribe's New York office is one of the first SOC 2 Type 2 document conversion centers in the tri-state area, and our New England office is a Massachusetts Privacy Law compliant facility. Both offer award winning technical support and customer service, more than 25 years of experience, and a HIPPA compliance trained staff.
