Yusen Logistics Receives 2016 Service Star Award from Continental Mills

Secaucus, NJ: Yusen Logistics (Americas) Inc. has received a Service Star from Continental Mills for excellence in intermodal operations in 2016. The award recognizes outstanding customer service, on-time deliveries and exceeding monthly performance measurements.

“It is an honor to receive this recognition from Continental Mills,” says Jason Abramowitz, Director of Pricing, Yusen Logistics. “It reflects the dedication of our team who work diligently to provide our customers with excellent service. We value our close collaboration with Continental Mills as a strategic partner and look forward to continued success together.”

Yusen Logistics’ Seattle and Chicago branches have been managing intermodal service for Continental Mills for more than eight years, coordinating rail and truck movements between multiple origins and destinations. The company has been recognized by Continental Mills for a number of prestigious awards over the years, including “Carrier of the Year” and “Western Region Service Star.”
