## OrthoPediatrix is a Double Diamond Sponsor for 2017 Combined EPOSNA Meeting

**WARSAW, Indiana, May 10, 2017— OrthoPediatrix Corp.** was a Double Diamond sponsor of the 2017 combined EPOSNA meeting, which took place May 3 – 6 in Barcelona, Spain. This was a joint meeting of the European Paediatric Orthopaedic Society (EPOS) and the Pediatric Orthopedic Society of North America (POSNA). Over 1300 Pediatric Orthopedic Surgeons from across the United States and Europe participated in the program. OrthoPediatrix has been a leading sponsor of both organizations since the company's inception.

During the meeting, OrthoPediatrix also sponsored a lunch symposium titled “Modern Approaches to the Treatment of Complex Hip Disease”, featuring an international panel of key opinion leaders. Moderated by Dr. Pablo Castañada and Dr. Rudolf Ganger, panelists discussed diagnoses, pre-operative planning, and surgical techniques for the treatment of complex hip disease in children and adolescents.

**OrthoPediatrix' CEO, Mark Throdahl** said, “Our support of EPOS and POSNA, which is out of all proportion to our size, sets the priority for everything else we do. It builds corporate character and keeps us true to the cause of helping children throughout the world.”

### About OrthoPediatrix Corp.

Founded in 2006, OrthoPediatrix is the only orthopedic company focused exclusively on providing a comprehensive product offering to the pediatric orthopedic market in order to improve the lives of children with orthopedic conditions. OrthoPediatrix currently markets 19 surgical systems that serve three of the largest categories within the pediatric orthopedic market. This offering spans trauma and deformity, complex spine and ACL reconstruction procedures. OrthoPediatrix also has the only global sales organization focused exclusively on pediatric orthopedics and distributes its products to 34 countries outside the United States.
