Cantor's Driving School Now Offers Student Driver's Final Evaluation As An Arizona DOT MVD Authorized Contractor

Cantor's Driving School in Phoenix AZ is now an Arizona Department of Transportation (ADOT) Motor Vehicles Division (MVD) authorized contractor and can administer the Final Evaluation instead of students taking the road test at the ADOT MVD as part of its Green Light package of driving lessons.

Phoenix, AZ, June 22, 2017 – Cantor's Driving School announces that is now is an authorized contractor of the Arizona Department of Transportation (ADOT) Motor Vehicles Division (MVD) and offers the final evaluation for student drivers as part of its Green Light package of driving lessons. Upon successful completion of this Final Evaluation, the student receives a Training Completion Certificate (TCC), also called a Road Test Waiver, that the student can present, along with an application for an Arizona driver's license, to waive the Road Test at any MVD or Third Party Provider location.

The Green Light package (<http://www.cantorsdrivingschoolaz.com/driver-training-packages.html>) from Cantor's Driving School includes five sessions - four regular 2½ hour lessons, and then the 5th session for the Final Evaluation. Per Arizona DOT regulations, a Final Evaluation can only be given after 10 hours of behind-the-wheel driver training with an ADOT MVD approved driving school like Cantor's Driving School. It is the student's responsibility to go to the Arizona Department of Transportation (ADOT) Motor Vehicle Division (MVD) to have the TCC (Road Test Waiver) processed and get his/her driver's license. Driving students must be Arizona residents and have a valid Arizona instructional permit to take the lessons and the Final Evaluation.

Owner Frank Cantor comments, "Taking and passing the Final Evaluation with a Cantor's Driving School trainer can allow students to skip the long wait at the MVD and bypass the MVD road test." Frank adds, "With the expert instruction from our driving trainers, student drivers are well equipped to succeed at the Final Evaluation."

To meet the demand for this popular Green Light package and other packages of driving lessons. Cantor's Driving School has recently added two new driving trainers and one more driver training car.
