**KINDLE
FIRE**

contest rules

At Ameritex Movers our motto is to Think Outside the Box which lets our creativity flow. We love to make art with boxes & cardboard! So far we've made designer clothes, furniture and the downtown Houston skyline which is exhibiting at the *Children's Museum of Houston thru Labor Day 2017!*

here's the deal...

We want Alief ISD to show us how you can Think Outside the Box too with our *Think Outside the Box! Robot Contest*. Team Ameritex will provide each of you with 2 boxes. We want you to let your imagination run wild this summer and take these boxes to make the most unique robot design... EVER!

low down on materials and scoring...
