## **MOXYO Mission Wireless Earbuds Deliver Budget-Friendly Premium Hi-Fi Sound**

**Lehi, UT AUGUST 1, 2017** — [MOXYO](#)<sup>®</sup>, creator of modern accessories for you<sup>®</sup>, announces the availability of Mission™ Wireless—new minimalistic Bluetooth earbuds, which impressively deliver up to 6 hours of hi-fidelity audio playback.

“If you’re looking for great sound, extended playback and the ability to take calls on-the-go, without wrecking your budget, Mission Wireless will perfectly compliment your mobile lifestyle,” said Jared Dahl, MOXYO’s brand manager. “In true Moxyo fashion, Mission Wireless earbuds are beautifully minimal by design without sacrificing performance or build quality.”

Mission Wireless key features include:

- 6 hours of music playback (4 hours talk time)
- Dynamic audio frequency range (20Hz - 20KHz)
- Full control with inline remote and mic
- Custom-fit interchangeable silicon ear gels
- 33-foot Bluetooth transmission range
- Cinch cable for a perfect fit

The perfect “back to school” gift for students, Mission Wireless are available to purchase at [MOXYO](#) for \$39.99.
