DARRYL S. DUNCAN

MINI BIOGRAPHY

Darryl is an accomplished veteran songwriter & producer. He's been involved in the music industry professionally since 1980. Darryl began composing original songs when he was 14 years old. His songs began to gain considerable recognition in Hollywood leading to his first big break when he received a major music publishing contract from A&M records in 1986. He then went on to sign with Warner Brothers Music in 1991. Darryl has written and/or produced music for artists such as Jeffrey Osborne, Michael Jackson, Chaka Khan, Earth Wind & Fire and R. Kelly to name a few.

Darryl S. Duncan - President & CEO
GameBeat / Flow Corporate Audio Group

Darryl was also himself a solo artist on Motown in 1987. He's had several charting singles and a #1 record to his credit. His music has also been featured in major motion pictures.

Today Darryl is the Founder, President & CEO of GameBeat Studios, LLC. GameBeat is an established provider of original music production and sound design services for the commercial advertising, gaming and digital media industries. GameBeat, known for their unique versatility and creativity has been responsible for the music and/or sound effects in some of the gaming industries biggest selling titles, including John Madden Football, Dance Dance Revolutions and Microsoft's Zoo Tycoon. Today GameBeat's clients are primarily in the advertising industry. Their portfolio includes TV and radio commercials for McDonald's, Wal-Mart, Charmin, Motorola, Burger King, Altoids, Toyota, Sears, The Illinois State Lottery and others. GameBeat has won numerous advertising industry awards for their work including 8 Telly awards, 3 Addy awards and 2 Millennium awards.
