INTELLECTUAL PROPERTY

There's **ip** in everything we do®

**Fishman Stewart PLLC** is a full-service intellectual property law firm. We are consistently recognized by our peers and clients as a leader in IP law. Our highly qualified attorneys and professionals specialize in all aspects of intellectual property - **THERE'S IP IN EVERYTHING WE DO!**®

Organizations typically have strategies for maximizing and leveraging their capital. At Fishman Stewart we believe that intellectual property should be managed the same way. As strategic advisers for clients running the gamut from inventors, creators, and entrepreneurs through the Global 500, we boost the value of 'intellectual capital.' Effective IP administration is critical to protect product and service lines, increase market share and head off competition.

The attorneys at Fishman Stewart develop IP promotion strategies for organizations of all sizes in every part of the world. Since 1996 we have obtained tens of thousands of patents and trademarks and represented clients in hundreds of contested matters.
