*316 EO Members Across the US Earn Rankings on Inc. 5000 List*

**Atlanta, GA, (8 September, 2017)** - Entrepreneurs' Organization (EO), the world's leading peer-to-peer network of successful business leaders recently congratulated 316 of its members on their business achievements that earned them a spot on the 2017 Inc. 5000 list. The annual list curated by Inc. ranks the fastest-growing private sector companies in the United States.

EO's local chapter for Atlanta, GA has counted 13 members who have made it to the prestigious list this year.

"It's no surprise that, year in, year out, the Inc. 5000 list features hundreds of companies led by EO members. There is no surefire path to fast growth, but making the Inc. 5000 list does require a growth-focus, a willingness to seek counsel, and the drive to invest in oneself as a leader. EO members all have that in common," said Patrick Hainault, Group Vice President of Marketing.

"EO Atlanta is incredibly proud of our 13 members who have deservedly earned their spot on the Inc. 5000 list. To see our members' growth and development earn them recognition on this prestigious list shows the strength of our membership and how EO unites and supports leading, like-minded and driven entrepreneurs in our community," said Rodney Strickland, Atlanta Chapter President.

Entrepreneurs' Organization celebrates 30 years of significance this year. Since its launch in 1987, it has grown to over 12,000 members in 169 chapters and 52 countries. Also featured in the top 10% of the 2017 Inc. 5000 list are 26 EO members that have been declared among the top 500 across the country.
