

EMPLOYEE PERCEIVED IMAGE OF THE COMPANY[®]

EPIC™ is a totally innovative and FUN to use software system, based in the cloud, that allows you to:

- Measure your staff's **happiness** and **satisfaction levels**.
- Find out how they perceive their **workplace climate**.
- Identify and retain your **top employees**, according to their own co-workers' perceptions.
- Reveal negative trends in **5 key dimensions and 15 subdimensions**.
- **Uncover areas** where you can immediately affect positive and powerful changes.
- Allow your team members to interact, give public praise and private feedback in a social network setting.
- Tap into your staff's intrinsic motivation by encouraging them to be a part of the solution.
