

# Let's Talk Turkey

*The holidays are coming!*

## Get Ready for Galvan's 16th Annual Turkey Promo

Galvan's 16th Butterball Turkey Promotion for U.S. distributors runs from October 1st through December 15th. During the promotional period, each "single destination" purchase order for immediate shipment valued at \$2,400 or more will earn a gift certificate for a delicious Butterball turkey!

Orders in increments of \$6,000 earn three certificates. A \$12,000 order will earn six certificates, and so on. Simply email or fax your purchase order to your Galvan sales representative. Then mail a copy of the qualifying order with a self addressed envelope to:

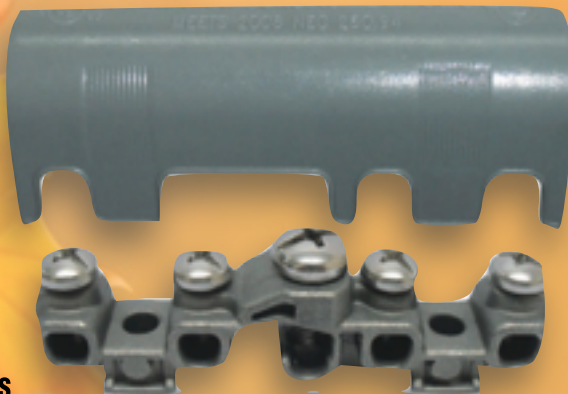

**Galvan Industries, Inc.**  
**Attention: Turkey Promotion**  
**PO Box 369**  
**Harrisburg, NC 28075-0369**

Any mix of Galvan electrical products totaling at least \$2400 qualifies. All photocopies must be received at Galvan by December 31, 2017.

*Warm up connector sales!*

## New Low-Cost Intersystem Bonding Bridge Connectors

Galvan Industries now offers cost-efficient die-cast zinc intersystem bonding bridge connectors. Designated Type IBBZ, they meet 2011 and 2014 NEC 250.94 requirements for Intersystem Bonding Termination.

The UL and CSA listed IBBZ is used in residential and commercial applications to ground up to four systems to a single location using stranded or solid copper conductors. Through-hole style connections are provided for up to four auxiliary ground wires, sizes #14 to #4. A lay-in connection for the main grounding conductor accepts sizes #6 to #2.

**Make the IBBZ part of your Turkey promo orders!**

**Galvan Industries, Inc.**
