

INTRODUCING

Specialty Pharmacy Services

# SPECIALTY CARE IS A JOURNEY.

And we're creating a faster route forward.

## KnippeRx is a new specialty pharmacy with a clear focus on driving **CARE. AT THE SPEED OF NEED.**

- KnippeRx provides highly responsive and focused services, combined with exceptional care in rare, orphan, ultra-orphan, and high-touch specialty biologic therapies
- Purpose-built to overcome the complex barriers to access and provide the shortest possible path from initiation of script to delivery of essential therapy
- Highly focused hub services include prior authorization, comprehensive benefits investigation, and 24/7 patient assistance, service, and support
- Accelerating prior authorization and PAP application processing through a convenient online HCP portal that integrates proprietary technology to provide near real-time benefits investigation and income verification
- Serving the needs of the manufacturer with precision, timeliness, integrity, and a team approach to patient care and improved outcomes
- An independent company that carries in its DNA the operational and logistical expertise of J. Knipper and Co.

### SPEED TO THERAPY

Leveraging patient education and innovative technology enables delivery of the shortest path possible, from script to therapy, so patients receive treatment when and where they need it

### HIGH-TOUCH CARE

Patient-centric compassionate care that focuses on clinical therapy, adherence, advocacy, and ensuring positive patient outcomes

### PATIENT ASSISTANCE

PAP and starter dispensing of specialty therapies, high-touch biologics, and other products requiring temperature control

### INTEGRATED DISTRIBUTION

Drawing on the deep knowledge and industry experience of their affiliate, J. Knipper and Co., KnippeRx supports manufacturers' logistics needs with a seamless and integrated approach to product distribution
