

Follow the Learner The Lean Bakery

Food should be fresh. Yet we produce it in big batches. If fast-moving, small batch, one-piece flow can work with car parts, why can't it for work our most important consumable—food. Read this fascinating story of a bakery and chain of shops in Barcelona. And then run your own experiments.

— John Shook
Chairman and CEO
Lean Enterprise Institute

Praise for

Follow the Learner: The Lean Dentist

The best thing about this book is that it is practical, simple, and makes me think, *let's just go try some of these ideas in our practice*. If you work in an out-patient clinic of any sort, read this!
