MARCO PURCHASES BUSINESSWARE SOLUTIONS IN MINNESOTA

Marco, a leading technology services provider, announced today that it has purchased BusinessWare Solutions, an IT services and managed print company headquartered in Hutchinson, Minnesota. They also have locations in Owatonna, Willmar and Chanhassen.

BusinessWare Solutions has been providing its clients with technology solutions since 1994. Its employees have joined the Marco team and will be serving clients from each of the existing markets.

"This purchase compliments the technical expertise and service offerings Marco currently provides throughout the state of Minnesota," said Jeff Gau, Marco CEO. "We look forward to continuing BusinessWare's commitment to satisfying its clients and providing opportunities for their valued employees."

Marco has 1,140 employees and serves more than 32,500 customers from its 49 locations throughout the Midwest and nationally. There are 16 Marco locations throughout Minnesota.

"We are excited to join the Marco team. They are a high performing company that is committed to excellence and outstanding customer service," said Don Hoversten, Co-Owner of BusinessWare Solutions. "They are also consistently recognized as a great place to work."
