## FOR IMMEDIATE RELEASE

November 29, 2017

### Dom & Tom Earns Spot on Clutch Global Leader List 2017

*Research on top mobile app and web development companies from around the world reveal the most highly recommended developers in 2017.*

NEW YORK, NY (November 29, 2017) – Top B2B research firm Clutch recognized 24 mobile app developers and 103 web and software development companies from around the world in its first annual Global Leaders List 2017 including [Dom & Tom](#). Clutch's annual report includes 477 companies across six industries, and each company is evaluated based on client reviews, market presence, and ability to deliver high-quality services.

Top mobile app developers are represented for both Android and iOS mobile application development. Web & software development companies are represented across multiple platforms and frameworks including Wordpress, Ruby on Rails, Magento, Drupal, PHP and more.

Earlier in 2017 Dom & Tom had the privilege to be included in Clutch's research reports naming leading [New York](#) and [Chicago](#) mobile app and web development companies. This week, Dom & Tom is included in the year-end 2017 Global Leaders List. The research evaluates each company's depth of focus in their area of expertise, as well as the company's proven ability to deliver results for their clients. With a 4.8 out of 5 rating from client reviews, Dom & Tom joins the ranks of other digital product development agencies on the list including WillowTree, Inc. ArcTouch, Y Media Labs, Fueled and others.

"They've exceeded my expectations. They're very good from a communication point of view. I never feel that we'll be steered down a path at the end of which we'll regret our decisions," said a Director of Operations for a Construction Nonprofit Labor Union client of Dom & Tom's.

"They have a very meticulous process and some driven people who take serious ownership over their work, and it definitely shows," said a Project Manager for a Digital Creative Agency that Dom & Tom rescued from a bad situation and helped to deliver a viable solution.

The top mobile app development companies are:

**Mobile Application Developers:** WillowTree, Inc., ArcTouch, **Dom & Tom**, hedgehog lab, Intellectsoft, Softeq, Y Media Labs, Appster, Mobomo, AndPlus, Table XI, Five, Raizlabs, Fueled, Ready4S
