Milgard Celebrates 50 Years Manufacturing Quality Patio Doors

Tacoma, Wash. (Jan 2th, 2018) – Milgard Windows & Doors is celebrating 50 years of manufacturing quality patio doors by offering homeowners a \$100 Amazon.com gift card with any Tuscany® Series, Montecito® Series or Aluminum Series sliding patio door or a \$200 Amazon.com gift card for any Moving Glass Wall System purchased through February 28, 2018.

It all started in 1968 when Milgard Windows & Doors decided to manufacture their own sliding aluminum patio doors. After researching the top features that appealed to homeowners, Milgard hired engineers to develop quality aluminum patio doors for the Pacific Northwest region.

Fast-forward fifty years, Milgard® is one of the largest and most trusted names for home windows and patio doors in the Western U.S. The patio door line has grown to include vinyl, wood and fiberglass in both sliding and swinging door styles, in addition to the aluminum sliding doors they started with. In response to the newest trend for indoor-outdoor living, Milgard also offers Moving Glass Wall Systems in bi-fold, pocket and stacking operating styles.

“We couldn’t think of a better way to celebrate our anniversary than passing along savings to our customers,” said Jeremiah Noneman, director of marketing at Milgard. “It’s our way of saying thank you.”

Purchases must be made through participating Milgard Dealers. All details are available at:
