ZIMEGA TECHNOLOGY SOLUTIONS EXPANDS LEADERSHIP TEAM IN AUSTIN

LUKAS WATERS NAMED CLIENT SALES EXECUTIVE

AUSTIN, TEXAS - January 17, 2018 - Zimega Technology Solutions, a global technology solutions provider, is pleased to announce the addition of Lukas Waters to its leadership team. With its headquarters in Austin, Texas, Lukas has been named Client Sales Executive and expands the Firm's presence in the city. Lukas manages the local market in addition to driving the company's further growth and managing client relationships.

"Lukas is a tremendous asset to Zimega Technology Solutions. With expertise in client relations and business consulting; he brings incredible value to our mission of providing excellence in service and white glove experiences to every client," stated Frank Straughter, Jr., Founder and CEO of Zimega Technology Solutions.

Lukas brings 15 years of diverse experience in sales, business consulting, and client services. He has worked in several industries including software development, technology, retail, residential home services, and hospitality.

“Joining Zimega Technology Solutions is an honor. I love finding ways companies and business owners alike can be more efficient through effective technology,” stated Lukas Waters, Client Sales Executive of Zimega Technology Solutions.

Lukas has experience as the Owner and Manager of a logistics company specializing in consulting and software development. He has worked at companies such as H-E-B and the Home Depot; with additional experience in hospitality management and residential home services. Lukas attended Texas A&M University and Blinn College with concentrations in computer engineering and electrical engineering. He also currently studies Business Management and Management Information Systems at Prairie View A&M University.

To contact Lukas Waters, email lukas.waters@zimegats.com or call 512.701.5951.
