

Delaney Hardware Acquires Bravura Brass

New addition expands product portfolio to include forged solid brass elegant designer line

Cumming, GA (January 30, 2018) [Delaney Hardware, Inc.](#) has acquired Bravura, a high-quality, solid brass designer line of door hardware. Bravura joins Delaney's ever-growing door hardware brand portfolio which includes the Callan high-value door hardware brand, the Delaney brand of door hardware, barn door, digital locks, trim and bath as well as Premier Steel Doors & Frames.

Bravura's forged solid brass door hardware is widely regarded for its strong, yet smooth and ergonomic designs for a comfortable feel. Bravura hardware is sophisticated and durable and provides homes with an elegant, artisan's touch.

"For 25 years, Delaney has been committed to providing uncompromising quality and value along with unparalleled customer service," says Libby Zappala, president. "We're thrilled that Bravura has joined the Delaney family of brands and we're excited about combining our core service competencies with Bravura's high-quality designer product."

About Delaney Hardware

Delaney Hardware has specialized in providing high-quality door hardware for residential homes, multi-family buildings, and commercial projects for over 25 years. With collections that combine superior finishes and comprehensive mechanics, Delaney's commitment to value, quality, and exceptional service distinguishes it from the rest of the industry.

With consistent in-stock products, 1-3 day delivery times, knowledgeable customer service, and experienced keying technicians, Delaney Hardware is able to provide unparalleled door hardware service to suppliers for builders, installers and homeowners. As a result, Delaney Hardware makes furnishing a home's door hardware refreshingly easy.

Delaney Hardware's full product line is available throughout the U.S. and includes door hardware, barn door hardware, bath accessories, and trim hardware. For more information, please visit [DelaneyHardware.com](#)
