

The Chartis Group Acquires Oncology Solutions

Firm extends its service offerings to deliver comprehensive spectrum of world class cancer advisory and analytic capabilities to the healthcare industry

Chicago, IL, February 15, 2018 – The Chartis Group, a leading provider of advisory and analytics services to the healthcare industry, has acquired Oncology Solutions, a consultancy nationally recognized for its significant contributions to the advancement of cancer care delivery.

Founded in 1973, Oncology Solutions has been exclusively dedicated to serving cancer providers in the areas of strategy, performance, program/care design and physician alignment. Oncology Solutions has completed over 2,000 cancer care projects in its work with hundreds of community hospitals, health systems, and NCI and academic cancer centers across the country. In addition to its client work, Oncology Solutions has had a significant influence on the industry through its guidance in the development of the NCI's comprehensive cancer center criteria, founding of the Association of Community Cancer Centers, and contribution to thought leadership for the Association of Cancer Executives and the Cancer Center Business Summit.

"We are extremely excited to have Oncology Solutions join The Chartis Group. While Chartis has a long history working with many of the nation's leading cancer programs, Oncology Solutions brings a depth and breadth of expertise that is unrivaled in the industry. Together, as Chartis Oncology Solutions, we will be able to deliver preeminent cancer care advisory and analytics services to our clients and the industry at large," says Ken Graboys, CEO of The Chartis Group.

"Oncology Solutions is thrilled to become part of The Chartis Group and to offer something unique through the creation of Chartis Oncology Solutions," adds Richard Taylor, Oncology Solutions Founder and Senior Partner. "The collaboration between our organizations will ensure that we can reach a broader audience and share the vanguard strategies and transformational care delivery frameworks that have characterized Oncology Solutions' engagements and impacted thousands of cancer patients nationwide." We are eager to lead Chartis Oncology Solutions and the incredibly talented and dedicated experts coming together to make it happen."

About The Chartis Group

The Chartis Group® (Chartis) provides comprehensive advisory services and analytics to the healthcare industry. With an unparalleled depth of expertise in strategic planning, performance excellence, informatics and technology, and health analytics, Chartis helps leading academic medical centers, integrated delivery networks, children's hospitals and healthcare service organizations achieve transformative results.
