

Workforce thrive

Complete Human Capital Management

That's **Workforcethrive** – a single application that works together, allowing you to move past busy work and focus on what matters most – your employees. Login from any device anywhere, anytime and access information inside a secure, single database. With **Workforcethrive**, you have powerful tools to be strategic, maintain compliance, and stay on top of your business information in real-time.

Simplify your HR processes with a comprehensive solution

Recruiting

Online job applications with social integration set your organization apart. Track candidates through your custom-built hiring process. Configure applicant communications, which trigger automatically through the **Workforcethrive** platform to establish company

Affordable Care Act

A dedicated ACA specialist and **Workforcethrive's** ACA Manager help you maintain compliance. View dynamic ACA dashboards that bring together HR, payroll, time management and benefits data for a

Onboarding

Automated online checklists prepare your team for new hires and allow HR to easily manage form submittals. With self service, employees complete everything from statutory 19's and W4's to custom forms like employee handbook acknowledgements.

Benefits

Say goodbye to paperwork and reduce human error. Employees can access the dashboard anytime to enroll or review benefit elections. Unified benefits allow for accurate and timely payroll deductions and simple HR & ACA compliance.

Self Service

Employees can login to manage, view and make changes to their benefits, HR and payroll info. Managers can review and approve time cards and time off requests.

Performance and Compensation

Complete the evaluation process online. Compensation planning is streamlined with automated budgeting tools and approval workflows.
