THE PAINLESS WAY TO A PAPERLESS OFFICE

FOR IMMEDIATE RELEASE

Digiscribe Inducted into Digitech Systems' Circle of Excellence for the Eighth Year

Digiscribe is recognized by Digitech Systems as part of a select group of 8 worldwide

Elmsford, New York – March 13, 2018 – Digiscribe, provider of document scanning services, document management software, workflow automation, and digital mailroom services, has been inducted into Digitech Systems' Circle of Excellence for the eighth year.

Digitech Systems chose 8 resellers throughout the world to be inducted into its 2017 Circle of Excellence. Members are recognized for growing their business as they resell Digitech Systems solutions and for the way they uphold and exemplify Digitech Systems' Goals and Values to the entire community. The Digitech Systems' document management software suite includes ImageSilo®, PaperVision® Enterprise, PaperVision® Capture, and PaperFlow™.

Digiscribe President Mitch Taube said, "We're proud that we've been chosen as a Digitech Systems Circle of Excellence member for the eighth year. We continually work to provide our clients with the best solution to gain quicker and more reliable access to their documents from anywhere in the world. We are committed to ensuring our clients success with Digitech's in-house and cloud document management software. Our New England and New York scanning facilities have trained and certified technical support teams ready to provide technical expertise and customer support to our valued customers."

About Digiscribe

Digiscribe delivers paperless office solutions that eliminate manual and inefficient business processes in accounts payable, human resources, and other critical business areas. Our clients engage us to lower costs, improve efficiency, and mitigate compliance risk throughout their organizations. We offer cost-effective services and software including outsourced digital mailrooms, mailroom scanning, workflow automation, cloud document management software, and document scanning. Digiscribe's New York office is one of the first SOC 2 Type 2 document conversion centers in the tri-state area, and our New England office is a Massachusetts Privacy Law compliant facility. Both offer award winning technical support and customer service, more than 30 years of experience, and a HIPAA compliance trained staff.
