

## Game Changing Concept

Trendship is the first premium shopping site where influencers shop and request free products or experiences, such as dining or hotel stays. Having to reach out to influencers is over. Post your deal and sit back as they come to you!

### MINIMUM REQUIREMENT

Set a minimum amount of followers required to inquire about your product

### APPROVE/DECLINE

Accept or reject influencers who are not on brand

### RATING SYSTEM

Hold influencers accountable with our five star rating system

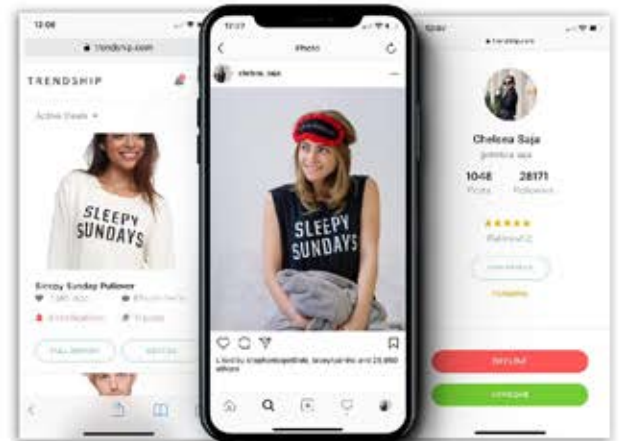

### MESSAGING CENTER

Directly contact influencers with any questions or instructions

## How It Works

- Post your deal
- Set a minimum amount of followers to qualify
- Add interests that pertain to your brand
- Sit back as influencers shop your product on our site
- Approve/decline anyone who is or is not brand appropriate
- Rate the influencer and your experience with them. That's it!
