Why Should I Choose NTI@Home?

With over 20 years' experience, NTI has been successfully placing Americans with Disabilities and Disabled Veterans in work-at-home positions within Fortune 500 companies nationwide. **NTI@Home specializes in call center positions in the areas of customer service, sales and technical support.** Each candidate is important. Therefore, NTI has established the following services to guide you and build the confidence you need during your journey back into the workforce:

- Professional One-on-one Mentoring
- Resume Assistance and Guidance
- Free Virtual Training through NTI University
- Exclusive Positions for Americans with Disabilities
- Successful Placement Rates

NTI has established, longstanding relationships with each of our partners and has built the confidence to hire Americans with Disabilities within their workforce. Some of the organizations we have successfully placed candidates include:

Candidate Testimonials

"NTI helped me overcome the stigma of my disability by providing me with an awesome opportunity to work for them and various vendors. NTI provided so many opportunities, certification, training, support, and a wealth of information about unlimited opportunities working from home! Thank you!"

~Rhoda E.

"I love what I do and the people I work for and with. I am surrounded by a fantastic support system that is continuously encouraging me to be a better person and better at my job. The support that I received from NTI is why I am able to have the position I have today."

~Debbie S.

"I'm very happy and satisfied with the company and the work NTI provides. I am so glad there is an organization such as NTI for those of us living with disabilities."

~Billy H.

Next Steps

If you would like to be part of the NTI program,, are on SSI, SSDI or have a Vocational Rehabilitation Counselor, feel free to fill out an application at www.NTICentral.org/apply. You will receive a follow up email discussing the next steps and how you can get back to work once again.
