FOR IMMEDIATE RELEASE

Grant Road Dental to Provide Free Dental Implants
In Partnership with Smiles for Everyone Foundation, Grant Road Dental in Mountain
View, CA Will Provide Free Dental Implants for Those in Need

Mountain View, CA – April 6, 2018 – Grant Road Dental has partnered with the Smiles for Everyone Foundation to open its Mountain View, CA office to provide free dental implants on May 20 from 8:30 a.m. to 4 p.m. for underinsured, low-income individuals.

Millions of people in the United States and around the world are unable to get the basic dental care they need. Receiving extensive care, such as dental implants, is an even harder service to obtain. Dr. Bob Rutner at Grant Road Dental recognized this need in his community and wanted to do something about it.

"This is a great opportunity to give back to the people in my community," he says. "Our goal for this event is to deliver as many Smiles as we can, and give people back the confidence they have been missing due to their dental concerns."

A limited number of appointments are available. Pre-screening to determine needs and eligibility is required. To schedule a pre-screening appointment, please call (650) 938-8127.
