post it by May 31st**

**Medina, MN**

Rockler Woodworking and Hardware, in partnership with The Modern Maker Podcast, has just launched the [#RocklerPlywoodChallenge](#). Participants are asked to simply make something using one sheet of plywood, any type, and to then post it on Instagram using the hashtag #RocklerPlywoodChallenge by May 31, 2018. Entries are eligible to win a \$500 Rockler Gift Card, a Rockler Miter Fold Dado Set or a Rockler Material Mate Panel and Cart Shop Stand.

A few of Rockler's key content partners will be judging the entries and they have already completed projects so that people will be inspired to enter the challenge:

“The focus of The Plywood Challenge is to build something with a single sheet of plywood,” says Nathan Ensminger, marketing manager at Rockler. “We’ve got some great prizes and all entrants need to do is post their project on Instagram using #RocklerPlywoodChallenge.” Ensminger ends with, “This is also a great opportunity for makers to build their YouTube audience – make a video of their challenge and post to YouTube using the same hashtag.”
