CONTEST DATES

MAY 1-MAY 31, 2018!

WHAT IS IT?

The "Howe I create a Better San Diego" Photo and video contest is a way to share your passion for giving back to your community.

At Bill Howe, we are passionate about inspiring acts of kindness and giving back to San Diego through our many charitable organizations.

As a Boys & Girls Clubs of Greater San Diego Corporate sponsor, we wanted to get our youth community involved and share your passion with the world.

Show us how you get involved and your passion in a creative photo or 30-60 second video; get your friends and family involved, and be as creative as you want. The sky's the limit!

WHO DOES IT SUPPORT?

"Howe I create a Better San Diego" supports all of us by fostering a positive and compassionate culture in our community. But, we want to make sure we continue to give back, so our Grand Prize Winners will also have the honor of presenting their club or school with a generous donation

We are also supporting the Boys & Girls Clubs of Greater San Diego "Stuff Our Bus" campaign this summer. Together, we can make a difference! Learn more on our contest page!

HOW DO I ENTER?

Create a photo, photo collage, or 30-60 video highlighting how you "pay-it-forward" in your community.

Get creative and let your passion shine!

Include a 50-word summary describing your passion for creating a better San Diego!
