

# **QOS Consulting, Inc. Appoints Chief Executive Officer – Aaron Mason**

QOSC announces the appointment of QOS Consulting, Inc.'s CEO Aaron Mason to the new role of Chief Executive Officer

For Immediate Release

HOFFMAN ESTATES, IL - Friday, May 4, 2018 – QOS Consulting, Inc. (2400 Hassell Road, Suite 390, Hoffman Estates, Illinois 60169), an Information Technology Consultancy, Managed Service Provider, Solutions Provider, Data Center, and Software Developer, that specializes in Technology Outsourcing, has named Aaron Mason as Chief Executive Officer.

Mr. Mason is a seasoned technology executive with over 25 years of experience in Information Technology. Dedicated to turning innovative ideas into leading service offerings, Mr. Mason founded and held the position of President at QOS Consulting, Inc since its launch in 2007. QOS Consulting, Inc. reduces total cost of ownership with technology and delivers customized solutions that enable businesses. While at QOS Consulting, Inc., Mr. Mason has grown sales revenue year over year and has consistently proven to deliver on both his long-term and short-term goals. His industry experience in the SaaS, MSP, Development and Data Center space will position QOS Consulting, Inc. as a market leader in Illinois and many other areas.

“Excitement is an understatement; our quality of service will make us the standard to be measured against. Our key focus since 2007 has been to build strong working relationships, seek out customer feedback as often as possible and customize solutions/services to meet our customers’ needs. We’ve done that and done that well. 2018 has already been planned out, so right now my focus has been looking at 2019 and beyond. No business is without improvement, but we have been all about improvement since 2007. New market segments and product development is our next phase. We have some great technologies in development right now and unfortunately, I can’t say much about that just yet. Customer acquisition and efficient onboarding is going to be where I am putting my attention. Our employees are family and together we grow personally and professionally. I’m very proud of my work family.” stated Aaron Mason, the new Chief Executive Officer (CEO) of QOS Consulting, Inc.
