FOR IMMEDIATE RELEASE

ELDORADO RESORTS, INC. SELECTS MICRO GAMING TECHNOLOGIES AS PROMOTIONAL KIOSK SOFTWARE SOLUTION

LAS VEGAS, May 8, 2018 – Micro Gaming Technologies (MGT) continues its growth as a market leader of promotional software with the announcement that it will be the promotional kiosk solution for all Eldorado Resorts, Inc. (NASDAQ: ERI) locations. MGT will increase its market share to over 280 casinos. The MGT casino clients now represent over 40% of the U.S. Gaming Market based on slot count.

Eldorado Resorts will incorporate all of MGT's promotional software and integrated modules into its properties. The MGT software will give Eldorado's casinos the ability to automate self-service guest access to real-time account information, promotions, drawings, offers, comps, and loyalty card printing. The MGT integrated modules further enhance the guest experience with live sports contests, electronic game boards, and mobile delivery.

In the current gaming climate, casinos are seeking solutions that improve player retention while also providing an enhanced customer experience. MGT's promotional software platform solution will achieve both goals for Eldorado Resorts using touch screen kiosk hardware and mobile devices. The unique design of the MGT Promo Suite gives casino operators the flexibility to create and edit promotions in real-time.

"We are enthusiastic and honored to be selected as the promotional kiosk solution for Eldorado Resorts," says CEO and Founder of MGT, Mark Bryant. "The opportunity to work with Eldorado Resorts is especially meaningful for MGT, as it, like our own company, is a business centered on the value of family. I'm excited for the continued growth and success this alliance will bring."

"Our gaming and hospitality philosophy focuses on Family-style service at all our properties," said Rob Mouchou, Eldorado Resorts, Inc. Senior Vice President of Operations. "Success is never an accident and we appreciate MGT's proven products and commitment to always go the extra mile to support Eldorado Resorts and our valued guests."

About Micro Gaming Technologies (MGT)
