Hierl Insurance Welcomes New Team Members and Recognizes Advancement

Fond du Lac, Wisc. – Hierl Insurance would like to recognize the promotion of Cindy Contreras and welcome new team members, Nicole Sumner and Taylor Cerminara.

Cindy has been promoted to the role Employee Benefits Service Agent. Cindy joined the Hierl team in August 2016 and recently obtained her Wisconsin Health and Life license. She has a bachelor's degree in management/Human Resources and 8 years of valued service to our country in the US Marine Corps. Cindy's background in business administration has helped streamline Hierl's day-to-day operations along with providing clients dedicated service to help facilitate their needs. Cindy continues to be a valued member of our team in her new role.

Nicole Sumner has joined Hierl Insurance as Administrative Assistant. Nicole graduated from Fond du Lac High School and recently earned her associate Degree in Human Resources from Moraine Park Technical College in Fond du Lac, WI. Nicole will be assisting in both employee benefits and property/casualty at Hierl Insurance.

Taylor Cerminara recently joined our team as Employee Benefits Service Agent. She has an associate degree in Human Services and is in the process of obtaining her Wisconsin Health and Life licenses. Taylor recently relocated to the greater Fond du Lac area. Her passion for service will benefit our clients as she assists them with their employee benefit coverages.
