International Business Internship Program

The International Business Internship Program is a revolutionary program partnering America's top high school students with community leaders from across the globe. These partnerships work to create sustainable solutions for real-world problems facing businesses in developing nations.

For two years students will partner with a business owner abroad to gain unparalleled experience working to solve problems facing electrical repair shops, fish farms, restaurants, tailoring shops, welding shops, cobblers, and more.

How The Program Works

Program Benefits

1 Students Apply Online At www.ICanTransformTheWorld.org

The International Business Alliance Program is for grades 8-12. Leadership Initiatives is a 501(c)3 Non-Profit Organization. There is no cost to join or participate in the program.

2 Top Applicants Are Invited To Join The Program

Accepted applicants create a student team of 3-7 at their high school or in their local community and are partnered with a business partner of their choice for 12-24 months.

3 The Internship Begins

Students begin Skyping their translator and business partner. Together they build a relationship learning about their partner's family, life in the developing world and most importantly, how the business operates and the challenges it is facing.

4 You Transform lives!

Over the course of the program, students partner with experts in multiple fields to create, introduce and implement solutions to the problems their partner is facing, transforming the lives of the students and the business partners alike!
